foaming facial cleanser

EASES AWAY DIRT & OIL

POINT OF DIFFERENCE
Mild cleanser utilizing beneficial antioxidant botanicals for skin health. This lightweight cleanser eases away dirt and oil to leave skin feeling refreshed. Natural ingredients gently exfoliate, revealing skin that is smooth and hydrated.

DIRECTIONS FOR USE
Use morning and evening. Apply 2 pumps to moistened skin with fingertips. Gently massage into face and neck using an upward circular motion. Rinse thoroughly with warm water.

KEY INGREDIENTS
Algae Extract – anti-wrinkle properties, moisturizing
Ivy
Extract – anti-inflammatory, healing for the skin
Aloe – soothing to inflamed skin
NataPres – natural preservative system
POINT OF DIFFERENCE
Ideal for dry & sensitive skin, this creamy cleanser is gentle enough for daily use, and will not strip the oils of the skin like many cleansers do. This emollient facial wash easily removes makeup and other residue and is infused with arnica, aloe, marigold and green tea to moisturize and invigorate skin.

DIRECTIONS FOR USE
Use morning and evening. Apply a small amount to moistened skin with fingertips. Gently massage into face and neck using an upward circular motion. (Dry skin only cleanse once daily)

KEY INGREDIENTS
Arnica – anti-inflammatory, promotes healing
Aloe – soothing properties
Green Tea (Camellia Sinensis Leaf Extract) – antioxidant, anti-inflammatory
Marigold (Calendula Officinalis Flower Extract) – promotes wound healing
**clarifying cream**

**COMBATS BLEMISH CAUSING BACTERIA**

**POINT OF DIFFERENCE**
This lightweight formula contains benzoyl peroxide and tea tree oil to penetrate pores to combat blemish-causing bacteria.

**DIRECTIONS FOR USE**
Use daily for best results. Apply a thin layer to clean, dry skin and gently massage into face and neck. Allow product to absorb into skin.

**KEY INGREDIENTS**
- **Benzoyl Peroxide** – antibacterial, exfoliant, helps to cleanse skin and pores
- **Tea Tree Oil** – natural anti-microbial
- **Papaya Fruit Ferment Extract** – this fruit contains the enzyme papain which has exfoliating and antibacterial properties
- **Ananas Sativus (Pineapple) Fruit Extract** – natural toner, antioxidant rich in bromelaine (a proteolytic enzyme), delivers vitamin C, thiamine, folic acid, vitamin B6, & minerals such as magnesium
- **NataPres** – natural preservative system with activity against P.acnes
**POINT OF DIFFERENCE**

This medicinal masque combines the power of benzoyl peroxide & sulfur with the botanicals of tea tree oil and papaya fruit to control blemishes. Additional natural ingredients such as MSM, pineapple extract and avocado help to calm the skin, fight blemishes, and prevent new breakouts with this intensive treatment. Tea tree oil, sulfur, and benzoyl peroxide fight acne-causing bacteria, while kaolin and peppermint oil protect and soothe.

**DIRECTIONS FOR USE**

Use 2 to 3 times weekly. Apply liberally to clean, dry skin. Rinse after 20 minutes with warm water. Pat dry. Follow with moisturizer for best results. Can be used for blemish spot treatment overnight.

**KEY INGREDIENTS**

*Continued on back*
clarifying facial masque

KEY INGREDIENTS

Tea Tree Oil (2.5%) – natural anti-microbial
Sulfur – antibacterial, astringent
Benzoyl Peroxide (5%) – antibacterial, exfoliant, helps to cleanse skin and pores
MSM – anti-inflammatory
Menthol & Peppermint oil – calm and soothe the skin
NataPres – natural preservative system
**clarifying wash**  
CORRECTS & PREVENTS BREAKOUTS

![Product Image]

POINT OF DIFFERENCE
Specially formulated for blemish control, this foaming cleanser works to correct and prevent breakouts using salicylic acid and natural antibacterial, tea tree oil, while aloe soothes and moisturizes irritated skin.

DIRECTIONS FOR USE
Use daily or every other day as needed for blemish control. Apply 2 pumps to moistened skin with fingertips, avoiding eye area.

KEY INGREDIENTS
- **Salicylic Acid** (2%) – clears clogged pores
- **Tea Tree Oil** (1%) – natural anti-microbial
- **Aloe** – soothing to inflamed skin
- **NataPres** – natural preservative system

MSRP
- 1.6 fl oz (47 mL), $30.00
- 5.0 fl oz (150 mL), $38.00
firming eye serum

POINT OF DIFFERENCE
This eye serum utilizes caffeine and bio-peptides to decrease puffiness and increase collagen production. Vitamins such as C, E, A (Retinyl Palmitate), B3 (Niacinamide) brighten and protect the under eye area. Omega 3 oils help to hydrate this tender skin.

DIRECTIONS FOR USE
Use morning and evening. Follow with moisturizing cream.

KEY INGREDIENTS
Continued on back
**f firming eye serum**

**LIFTS, SMOOTHES & BRIGHTENS**

---

**KEY INGREDIENTS**

- **Caffeine** – decrease puffiness and firm tissue
- **Pentaclethra Macroloba Seed Oil** – antioxidant, oil extracted from the seeds of an Amazon plant
- **Plukenetia Volubilis Seed Oil (Sacha Inchi)** – plant native to the Amazon Rainforest. Its oil is one of the largest plant sources of Omega 3 & 6. It is ultra healing and increases the integrity of the epidermal layer
- **Carthamus Tinctorius (Safflower) Seed Oil** – high in Linoleic Acid, which moisturizes and nourishes the skin
- **Palmitoyl Tripeptide-5** – increases and protects collagen
- **Hexapeptide-9** – increases and protects collagen
- **Acetyl-Dipeptide-1 Cetyl Ester** – decreases appearance of wrinkles by relaxing the skin
- **Niacinamide** – vitamin B3, increases cell turnover, brightens and evens skin tone, fades hyperpigmentation (age spots), anti-inflammatory
- **Dimethyl Sulfone (MSM)** - anti-inflammatory
- **Lipoderm-Core Technology** – proprietary patented skin permeation enhancer
glycolic acid peel

LEAVES SKIN TIGHTENED & RENEWED

POINT OF DIFFERENCE
Glycolic acid gently exfoliates skin, increasing cell turnover and improving the look of fine lines and wrinkles by stimulating collagen production. Designed for home application, this spa-quality chemical peel leaves skin renewed and tightened. Used 2 to 3 times weekly this peel is also effective for blemished skin and offers cumulative results with consistent use.

DIRECTIONS FOR USE
Apply 2 to 3 times weekly. Apply a thin coat to clean, dry face and neck. Rinse after 3-5 minutes with cold water. Pat dry. Tingling sensation may be experienced while applied.

SUNBURN ALERT: Use a sunscreen while using this product.

KEY INGREDIENTS
*Glycolic Acid (11%) – Alpha hydroxy Acid, true acid with ph of 2, increases cell turnover, fades hyperpigmentation (age spots), boosts collagen production
hydrating facial masque

INFUSES MOISTURE TO TRANSFORM DULL, DRY SKIN

POINT OF DIFFERENCE
Infused with the sodium hyaluronate, cupuacu butter and caviar extract, this ultra-hydrating masque offers skin a soothing burst of moisture to reveal refreshed, radiant skin.

DIRECTIONS FOR USE
Use 2 to 3 times weekly. Apply a thin layer to affected skin and allow masque to dry. Gently massage with wet washcloth to remove. Follow with serum and moisturizer.

KEY INGREDIENTS
Continued on back
hydrating facial masque
INFUSES MOISTURE TO TRANSFORM DULL, DRY SKIN

KEY INGREDIENTS

Sodium Hyaluronate – hydrates
Plant Extract and Seawater – provides a natural superior moisturizing barrier
Cupuaca Butter – holds moisture in the skin
Caviar Extract – natural antioxidant with anti-inflammatory effects
NataPres – natural preservative system
invigorating facial

DEEP CLEANS PORES & IMPROVES FIRMNESS

POINT OF DIFFERENCE
This soothing peach yogurt exfoliant delivers probiotic benefits and fruit enzymes leaving the skin soft and smooth. Formulated especially for the face, this gentle yet effective scrub deep cleans pores and removes dead skin cells to reveal vibrant, youthful skin with improved surface texture and firmness.

DIRECTIONS FOR USE
For best results, use twice weekly. Massage a generous amount into moistened face and neck, working fingertips in an upward circular motion. Rinse thoroughly with warm water, pat dry.

KEY INGREDIENTS
Prunus Persica (Peach) Fruit Extract – fruit enzyme, exfoliation
Prunus Armeniaca (Apricot) Seed – mechanical exfoliation
Yogurt Extract – probiotic benefits, improves cellular respiration and metabolism
rebuilding day cream

POINT OF DIFFERENCE
Customized ingredients for each skin type, with the addition of potent antioxidants in a cream that maintains the structure of healthy skin. Each silky, nourishing cream softens and hydrates skin for a more youthful, luminous complexion. Available for normal, oily and dry skin.

DIRECTIONS FOR USE
Use each morning for best results. Apply a thin layer to clean, dry skin and gently massage into face and neck. Allow product to absorb into skin.

KEY INGREDIENTS
Continued on back
**rebuilding day cream**

**PROTECTS, SOFTENS & HYDRATES**

---

**KEY INGREDIENTS** *(normal, dry and oily skin types)*

- **Ferulic Acid** – UvB protection, natural plant extract acid derivative which is a potent antioxidant
- **Aloe** – soothing
- **Glycerin** – attracts water and increases the hydration of the epidermis
- **Camellia Sinensis Leaf Extract (Green Tea)** – antioxidant, anti-inflammatory
- **Chrysanthellum Indicum Extract** – natural anti-inflammatory, commonly used for rosacea
  - antioxidant, nourishing for the skin
- **Squalane** – moisturizing
- **Vitamin E** –
- **Sugars: Xylitol, Anhydroxylitol, Xylitylglucoside** – holds water on the skin and increases hydration

**DRY (ADDS THE FOLLOWING)**

**OILY (ADDS THE FOLLOWING)**

- **Dimethyl Sulfone (MSM)** – anti-inflammatory
restoring night cream

CALMS SKIN & HEALS DAMAGE

POINT OF DIFFERENCE
Potent antioxidants and the healing power of Superoxide Dismutase, deliver protection and anti-aging, while maintaining moisture with glycine soy protein and other moisturizers. While skin is at rest, this gentle formula uses vitamin E and aloe to help heal damage and fight the effects of harmful oxidants and free radicals. Available for normal, oily and dry skin.

DIRECTIONS FOR USE
Use each evening for best results. Apply a thin layer to clean, dry skin and gently massage into face and neck. Allow product to absorb into skin.

KEY INGREDIENTS
Continued on back
restoring night cream

KEY INGREDIENTS (normal, dry and oily skin types)

**Ferulic Acid** – natural plant extract acid derivative which is a tremendous antioxidant

**Vitamin E** – antioxidant, nourishing for the skin

**Superoxide Dismutase** – a plant derived potent antioxidant, promotes healing of skin during the night. This enzyme is the first line of defense against free radicals through breaking down the superoxide radical

**Aloe** – soothing properties

**Glycine Soya Protein** – excellent natural moisturizer with mild antioxidant qualities

DRY (ADDS THE FOLLOWING)

**Plukenetia Volubilis Seed Oil (Sacha Inchi)** – plant native to the Amazon Rainforest. Its oil is one of the largest plant sources of Omega 3 & 6. It is ultra healing to dry skin and increases the integrity of the epidermal layer

**Hydrolyzed Rice Protein** – moisturizing and hydrating

**Sugars: Glucose, Sucrose, Fructose** – moisturizing

**Amino Acids: Alanine, Aspartic Acid, Glutamic Acid** – water binding agents, antioxidants, moisturizing and healing for dry skin

**Glycerin** – attracts water and increases the hydration of the epidermis

OILY (ADDS THE FOLLOWING)

**Dimethyl Sulfone (MSM)** - anti-inflammatory

**Camellia Sinensis Leaf Extract (Green Tea)** – antioxidant, anti-inflammatory

**Chrysanthellum Indicum Extract** – natural anti-inflammatory from the daisy flower family, commonly used for rosacea

**Ananas Sativus (Pineapple) Fruit Extract** – natural toner, antioxidant rich in bromelaine (a proteolitic enzyme), delivers vitamin c, thiamine, folic acid, vitamin B6, & minerals such as magnesium
**POINT OF DIFFERENCE**
This effective combination of Retinyl Palmitate and Retinol promotes cell turnover and evens out blotchiness. The addition of anti-inflammatories, allows consumers to achieve the results of Retinol without the redness and peeling usually experienced with Retinol products. Retinol should be used at bedtime because this is the time of sloughing of the skin and healing. Once the consumer’s skin is conditioned to the 4% complex, they may move up to the 8% (DS).

**DIRECTIONS FOR USE**
Apply a small amount to clean face at bedtime. For best results, use nightly with complete therapy.

**KEY INGREDIENTS**
*Continued on back*
KEY INGREDIENTS

Retinyl Palmitate (Vitamin A Palmitate) and Retinol – (4% and 8% complex) – increase cell turnover, fades hyperpigmentation, evens skin tone, improves skin texture. vitamin A is a small structure which penetrates well to the deeper layers of the skin

Lactic Acid (2%) – increases cell turnover and makes retinol more effective for penetration

Dimethyl Sulfone (MSM) – anti-inflammatory, minimizes redness and peeling

Squalane – moisturizing

Lecithin – improves skin permeation
**skin firming serum**  
REDUCES THE APPEARANCE OF FINE LINES & WRINKLES

**POINT OF DIFFERENCE**
Our #1 selling product, this serum replenishes the moisture barrier, tightens pores, and evens out skin tone while reducing the appearance of fine lines and wrinkles. Consumers can tell a difference in their skin within a few days of using this potent anti-aging serum.

**DIRECTIONS FOR USE**
Use morning and evening. Apply a thin coat (2 to 3 drops) to clean face and neck. Allow product to absorb into skin. Follow with moisturizing cream.

**KEY INGREDIENTS**
- **Niacinamide** (5%) – vitamin B3, increases cell turnover, evens skin tone, fades hyperpigmentation (age spots), decreases pore size, anti-inflammatory
- **Sodium Hyaluronate** (0.5%) – attracts moisture and prevents water loss, skin primer, reduces wrinkle depth by filling in fine lines
- **Acetyl Hexapeptide** (5%) – relaxes fine line and wrinkles, protects collagen
retinol complex DS

FADES SUN SPOTS & EVENS TONE

POINT OF DIFFERENCE
Retinol products are common, however percentage is limited due to the redness and peeling. Rx SKIN THERAPY achieves positive results for the skin due to high percentages of retinol and retinyl palmitate, while utilizing potent calming ingredients to decrease redness and peeling. Once the consumer’s skin is conditioned to the 4% complex, they may move up to the 8%.

**Results within the 1st week

DIRECTIONS FOR USE
Apply a small amount to clean face at bedtime. For best results, use nightly with complete therapy.

SUNBURN ALERT: Use a sunscreen while using this product.

Lactic Acid (2%) – increases cell turnover and makes retinol more effective for penetration.

Dimethyl Sulfone (MSM) – anti-inflammatory, minimizes redness and peeling.

Squalane – moisturizing.

Lecithin – improves skin permeation.
treating your skin type

Rx SKIN THERAPY has developed 5 customized therapies based on skin-type. Our customizable therapies provide general guidelines when recommending our products to patients. The definitions listed below describe the skin characteristics that correspond with each of these therapies.

- **Ns**
  - normal skin
  - For skin that isn’t oily or dry and is generally smooth, clear and firm.

- **Os**
  - oily skin
  - For skin that is shiny and/or greasy, may have enlarged pores and is prone to breakouts.

- **Ds**
  - dry skin
  - For skin that lacks natural oils and is characterized by rough, flaky patches of dryness.

- **Bl**
  - blemish
  - For skin that suffers from recurring blackheads, frequent blemishes and large, clogged pores.

- **Aa**
  - anti-aging
  - For skin that shows signs of aging, such as fine lines, wrinkles and a loss of firmness and elasticity.

- **Let Us Help!**
To ensure your success, we have structured our training program to maximize efficiency and effectiveness.

**Step 1: Online Training Course**

- Log on to [www.rxskintherapy.com/training](http://www.rxskintherapy.com/training) and watch the online training presentations. These presentations are available 24 hours a day, so that you and your staff can train around your schedule.

**Step 2: Training Review**

- After reviewing the online presentations, you may still have questions. If so, please call or email us and one of our trainers will review your questions with you over the phone or schedule an additional live webinar for you and/or your staff.

**Step 3: Certification**

- Once you have completed Step 1 and Step 2 (if necessary) you are ready to take the online Rx SKIN THERAPY Certification Quiz which is located on our website at [www.rxskintherapy.com/training](http://www.rxskintherapy.com/training). Once you have received a passing grade of 80% on the quiz, you will be eligible for our PM program (Promotional Money Program). Simply print at your rewards card, which can be found on our training page and start making money!

**Continuing Education**

Beyond the trainings listed above, we offer additional training opportunities throughout the year, including:

- Live Monthly Webinars
- On-Demand Individual Webinars
- Live Regional Trainings

For more details on these training opportunities, including locations and dates, please visit [www.rxskintherapy.com/training](http://www.rxskintherapy.com/training) or call us at 800-331-2498.
PROMOTIONAL MONEY PROGRAM

HOW IT WORKS: We pay your employees $3 on every product they sell. This is paid out of our end, at no cost to you.

1. Employees will complete the front of the rewards card with their personal information. (Please note: participating employees will be required to include their social security number for tax reporting purposes).
2. Employees will remove the barcode sticker from each product they sell, and place it on the back of their rewards card.
3. When their rewards card is full, they will mail the completed card to the address listed on the back of the card. (Please allow 2 weeks for processing).

WHY IT WORKS: It gives your staff the opportunity to make extra money, which will in-turn make YOU more money. MONEY TALKS!
